PETITION for Transparency in Classifying Firearms
TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

We, the undersigned residents of Canada, draw the attention of the House of Commons to the following:

Whereas the administration of the Canadian Firearms Program is the responsibility of the Royal Canadian Mounted Police (RCMP);

And Whereas confidence in the Canadian Firearms Program is desirable and only possible with the co-operation, willing participation and consent of all Canadians,

And Whereas changes to the classification of firearms are made without adequate public consultation or public notice, which erodes confidence in the administration of Justice in Canada;

Therefore, your law-abiding petitioners call on the Government of Canada to enforce the Firearms Act and Regulations in an open, transparent, fair manner that respects private property, full and adequate public consultation, including fair financial compensation not confiscation, and reflects our shared commitment to smaller government, lower taxes, enforcement of existing laws, enhanced freedom and individual responsibility.
