PETITION TO THE PRIME MINISTER

Whereas:

- Canada's Charter of Rights and Freedoms, Canada's Bill of Rights, and Canada's history of sacrifice in defence of liberty, demand we respect and uphold the conscience rights of all Canadians; and
- The Prime Minister has encouraged hatred and contempt towards individuals exercising their constitutionally protected conscience rights.

Therefore, we, the undersigned citizens of Canada, call upon the Prime Minister to:

- 1- End pandemic mandates on the members of our Public Service, the Canadian Armed Forces personnel, all contractors subject to the federal mandates, and all federally regulated workers; and
- 2- Lift border restrictions related to the pandemic for all Canadians, including ceasing the covid testing required of Canadians upon returning to Canada.
