

Petition to the House of Commons

PETITION (Bill C-21)

Whereas:

- Bill C-21 is an affront to the private property rights of Canadians;
- The historically-grounded right to own firearms has been reaffirmed under Canadian common law;
- The bill unfairly targets hunters, recreational sport-shooters, and law-abiding firearm owners;
- Bill C-21 does nothing to combat illegal gun smuggling or violent gun crime;
- The Liberal-NDP coalition are unnecessarily restricting the rights of law-abiding firearm owners.

Therefore, we the undersigned, citizens of Canada, call upon House of Commons to vote against Bill C-21.
